

APPEAL NO. 022391
FILED OCTOBER 23, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on August 27, 2002. The hearing officer determined that the appellant (claimant) did not have disability from August 1, 2001, through February 13, 2002, as a result of the compensable injury she sustained on _____. On appeal, the claimant contends that this determination is against the great weight of the evidence. Additionally, the claimant urges that the hearing officer erred in finding that the claimant did not sustain a compensable injury. However, as compensability was not a disputed issue at the hearing and the parties stipulated to the fact that there was a compensable injury, we will not address this argument on appeal. The respondent (carrier) urges affirmance.

DECISION

We affirm.

We have reviewed the complained-of determination and conclude that whether the claimant had disability involved a fact question for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determination is not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
